

Sponsorship Opportunities 25th Annual Caribbean Accountants' Conference

The Institute of Chartered Accountants of The Eastern Caribbean (St Kitts-Nevis Branch) will be hosting the 25th Annual Caribbean Accountants' Conference from June 28-30, 2007 at The St. Kitts Marriott Resort.

We have chosen the theme "Delivering Excellence – polishing the Diamond".

The topic ***'Delivering Excellence-polishing the diamond'*** was specially selected for this, the 25th Caribbean Conference, as previous topics dealt with- ***"The Winds of Change: Accountability in the 21st Century"***, ***"Adapting to the changing faces of the accounting professions- expectations;"*** ***"Globalization and its effects on the profession"*** and most recently, ***"Sharpening the Edge"*** to reinforce the presence of the profession in business. These themes were geared towards 'polishing' the accountancy profession whose image suffered badly in the nineties and was then regarded as a 'diamond in the rough'.

As we approach this, our milestone 25th Conference, it is most befitting that the theme selected is synonymous with its eminence over the period. In accordance, accounting professionals, over the last decade have worked assiduously and diligently to strengthen itself through increased independence and credibility, thus promoting a greater level of accountability and transparency. We have finally repaired the damage done to our profession as we poise to regain public confidence by ***'delivering excellence'***.

Dr. The Honourable Denzil Douglas has been invited to deliver the keynote address. We will also be hosting a panel discussion on "Harmonising the Caribbean Tax Laws", which will include representatives from CGA Canada, the OECS Bar Association and others. We have assembled an impressive group of local, regional and international speakers.

Our conference brings together business professionals from throughout the Caribbean, and as a sponsor your company will benefit from national as well as regional exposure. Enclosed is our package offering several different sponsorship options. Please do not hesitate to contact us if you require any additional information.

We hope that you will join us and become a sponsor of the 25th Annual Caribbean Accountants' Conference.
